

2026 PENINSULA FLEA AT HERITAGE FARMS VENDOR APPLICATION & MARKET INFORMATION

The Peninsula Flea is a rustic outdoor market hosted by Heritage Farms in Peninsula, Ohio. Our market features handcrafted decor, homemade snacks and baked goods, repurposed items and vintage finds, and informational kiosks for area non-profit groups. The Peninsula Flea at Heritage Farms strives to offer high-quality items from dedicated artists, craftspeople, and collectors, all of whom are proud to call Northeast Ohio their home!

In 2026, Heritage Farms will continue our 178 years of service as a family-owned and operated establishment, catering to a wide variety of guests and hosting a wide range of seasonal events. We are located at 6050 Riverview Road in Peninsula, Ohio, in the center of the Cuyahoga Valley National Park. We will host the Peninsula Flea during the summer months of 2026, twice in June, once in July and once in August. Specific dates will be featured below in the available **Options and Pricing Details** section of this application form.

WHAT WE OFFER

Indoor and outdoor spaces will be available for rent for all markets, with an early application discount available until April 1, 2026. From April 2, 2026, onward, all vendor sites will be available at their standard rates and **MUST** be paid for at the time of acceptance. No vendor site will be assigned until payment is received. Each market is limited to 50 vendors.

Indoor spaces, measuring 8' x 8', are available in our historic Harvest Barn and in the Tree Barn—**there are a limited number of indoor spaces available**. Pricing information is listed below. We also have four outdoor spaces with access to an electrical hookup—**electrical access for indoor and outdoor spaces is \$5.00 per market**. Indoor and outdoor options are to be marked by vendors in the application section below—specific site positions will be decided at the discretion of the Flea Market staff.

We happily welcome Food Trucks to the Peninsula Flea and charge a flat rate per market

GUIDELINES FOR PROSPECTIVE VENDORS

Vendors may sell only items listed on their application. We strive to host a well-balanced market and can only maintain said balance if we know exactly what each vendor is offering.

No vehicles will be allowed in the vendor area after setup. Separate parking will be provided for all vendors at the top of the driveway. Vendors and their associated staff are not permitted to park in customer parking.

Vendors are expected to provide their own tent, tent weights, merchandise, displays, tables, chairs, etc. All tents must be weighed and secured to the ground. All vendors must present a professional display. Excess boxes, bins, and products must be stowed in the vendor's vehicle or out of view from the public. Prices/pricing criteria must also be easily visible to the public.

Direct sales and mass-produced items are not permitted.

There is No Smoking allowed at vendor sites. Designated smoking areas near the grass parking lot and the gravel parking lot are available.

Music is not permitted to be played at vendor sites nor within flea market grounds. Live music performed by local musicians is provided.

Portable toilets are available for use by vendors, staff, and guests alike.

Early setup is available the evening prior to any of the listed markets. Early setup may begin no earlier than 3:00 p.m. and is to conclude no later than 7:00 p.m. the day before any of the listed markets. **There will be no staff available to assist with early setups on Fridays.**

On Market days, vendors are expected to arrive and set up between 7:00 a.m. and 9:30 a.m. Vendors will be able to unload within 50' of their site. Hand carts are available for further transport. **We open for business at 10:00 a.m. and close at 4:00 p.m. Vendor site teardown is to begin following the 4:00 p.m. market closure, not before.** Vendors are expected to clean their space completely; pack away their wares, tents, and displays; and clean up, dispose of, and take home all trash from their sites.

DISCLAIMER: The Peninsula Flea is a "rain or shine" market, and Heritage Farms is an outdoor venue. No refunds will be issued if an individual vendor cancels due to rain; however, should the market be canceled in its entirety due to weather, refunds will be issued.

Any vendor who does not comply with the information listed in the paragraphs above may be subject to exclusion from future markets and other Heritage Farms events.

We appreciate your time in reviewing and following the guidelines for the Peninsula Flea. We look forward to hearing from you and, more importantly, seeing you during the 2026 Peninsula Flea summer season!
